C. SPIRITUAL GIFTS ASSESSMENT

The biblical roles of the elder include shepherding the church (tending to their care, ensuring none are lost), overseeing the spiritual health of the church (exercising spiritual authority to encourage growth of individuals and the church, initiating accountability), equipping the saints for ministry, preaching (some elders) and teaching (all elders – being able to train in sound doctrine and refute heresy within the context of relationship). Comment briefly on the spiritual giftedness that you have seen demonstrated in the life of the nominee, especially as it relates the leadership roles of an elder. How has this nominee demonstrated and evidenced their giftedness in the context of ministry here at The Gathering?
